

## Spring 2025 Audition Information

### How do auditions work?

During the first Tuesday meeting of the spring semester (January 14th) each choreographer will demonstrate a brief section of their piece for our fall show. Anyone interested is welcome to attend! You will also receive an email containing all of the videos, time slots, piece descriptions, and styles.

Each choreographer will have a designated time slot for their weekly rehearsal. During their first rehearsal, the audition will take place. If you are selected for a piece, you will be notified within 24 hours of the audition time. You would then rehearse during that time slot each week for that piece. For example, if Jay's time slot is Wednesdays from 7-8, her audition would be on Wednesday the 15th from 7-8, and her rehearsals would be at that time every week until the show!

For the spring show **you may only be selected for up to four pieces** (excluding senior dance). If you are in your own dance that does count as one of the four pieces. You may audition for as many pieces as you desire, but once you are selected for four please be courteous to your fellow dancers and stop auditioning. If you are selected for more than 4 dances please notify the board as soon as you are aware and we can discuss a plan of action!

### Dancer responsibilities:

If you are selected for a piece, congratulations! You will be required to attend your rehearsals for your piece(s) as well as our Tuesday class each week until the showcase.\* You will also be expected to pay \$10 in dues for the semester, and we are including a spring show t-shirt with your dues! You are allotted 2 absences for Tuesday classes without penalty, and after that you will be asked to assist in setting up or cleaning up for show week. If you are not selected for a piece, you are still welcome to attend Tuesday classes whenever you may please, you will not be required to pay dues.

*\*If you are casted in a dance and you are unable to attend weekly class due to another commitment (such as class or work), please email us to let us know so we can make note of it.*

Please reach out to the board if you have any questions!
